

LADIES ECLECTIC GOLF COMPETITION

During 2012 the Moree Lady Golfers have organised an eclectic competition to run concurrently from Thursday 8th March through to the 28th October, with other, unrelated tournaments.

The Joining fee will be \$10.00

Change Fee .50 cents per hole

This competition will be applicable to Thursdays as well as weekend golf Tournaments.

Eclectics works this way: Each golfer plays X number of rounds, and each golfer compared her score on each hole per round. The lowest score made on each hole is recorded, producing an 18 hole score.

**For example, suppose you score 6, on hole No 1;
In Round 2, you score a 7 on hole No 1;
In Round 3, you score a 4 on hole No 1;
The lowest of those three scores on the first hole is a 4, so that is the golfer's eclectic score.**

So the golfer compares her score on each hole in every round of the eclectic, selects the lowest per-hole score, and that is her eclectic scorecard.

This Eclectic will run for 8 months so it will not disadvantage those golfers who join later—however it is more advantageous if you join now giving you a bigger advantage to reducing your individual score per hole.

**Trophies will be presented at the Ladies Christmas Party.
Money is to be placed in the Envelope in a Box at the Computer desk upstairs.**
